Surrender of License and Withdrawal of Applications

Dear Ms. Dortch:

115 License Subsidiary, LLC (“LicenseSub”) hereby surrenders its above-referenced authorization to launch and operate a 17/24 GHz Broadcasting-Satellite Service (“BSS”) satellite system at the 115°W orbital location. Consistent with the license surrender, LicenseSub withdraws and, to the extent necessary, requests dismissal of its three pending applications associated with the authorization (File Nos. SAT-MOD-20111216-00240, SAT-MOD-20120315-00050, and SAT-T/C-20110630-00124). LicenseSub also requests that the Bureau take prompt action concluding that LicenseSub met the first two milestone requirements associated with the satellite authorization.
