

**Supplemental Response to Question 37**

Northrop Grumman Corporation, the new ultimate parent of the license holder after the transaction closes, has not been convicted of a felony. Northrop Grumman Corporation is a publicly traded company, not directly or indirectly controlled by any other party.

For transparency, we note that we are aware that certain entities acquired by Northrop Grumman Corporation (or a wholly owned subsidiary or a predecessor entity) were convicted of felonies many years ago and prior to being acquired as a subsidiary. We also note that another subsidiary of Northrop Grumman Corporation that will be a sister entity to the Licensee/Transferor after the transaction closes had prior convictions, but they were more than 25 years ago. None of these entities will be a parent of or control the Licensee/Transferor.
