**Re: Bharti Airtel Limited, Notification of Pro Forma Assignment to
Its Wholly-Owned Subsidiary, Network i2i Limited**

Dear Secretary Dortch:

Bharti Airtel Limited (“Bharti Airtel”) and Network i2i Limited (“i2i”), by their undersigned counsel submit this Notification of Pro Forma Assignment, pursuant to Section 1.767(g)(7) of the Commission’s Rules, 47 C.F.R. § 1.767(g)(7).

Bharti Airtel is a voting member of, and has a higher than 5% interest in each of the following submarine cables connecting Asia to the United States: (i) the Unity Cable System (“Unity”) and (ii) the Asia America Gateway System (“AAG”). Unity and AAG have been licensed by the Commission and Bharti Airtel is a licensee under the applicable licenses (collectively the “FCC Licenses”).¹

By this pro forma assignment filing, Bharti Airtel and i2i are providing the Commission notice of a proposed assignment of Bharti Airtel’s interest in the Unity and AAG systems and the FCC Licenses to its wholly-owned subsidiary, i2i (the “Transaction”). i2i is a corporation organized under the laws of Mauritius.

The Transaction is governed by Mauritius law and is scheduled to be consummated on or about June 30, 2012. The Transaction greatly simplifies the management of Bharti Airtel’s international network by holding all of Bharti Airtel’s submarine cable assets around the world in a wholly-owned subsidiary especially created for these purposes, i2i. However, the Transaction does not and will not affect the ultimate control of Bharti Airtel or the FCC Licenses. After consummation of the Transaction, Bharti Airtel will still retain indirect control of the FCC Licenses.

5. Section 63.18(h): The name, address, citizenship and principal business activity of any person having a 10% or greater interest in i2i is as follows:

Name: Bharti Airtel Limited
Address: 234, Okhla Industrial Estate, Phase-3
New Delhi, India 110020
Principal Business: Telecommunications
Ownership Interest: 100%

Other than as previously reported to the Commission, there are no changes in Bharti Airtel's ownership. Other than as previously reported to the Commission, there are no interlocking officers or directors to report.

Bharti and i2i certify that the Transaction is *pro forma* and that, together with all previous *pro forma* transactions, will not result in a change in the ultimate controlling shareholders of Bharti Airtel.

Please contact the undersigned at (202) 373-6664, if you have any questions or comments regarding this filing.

Respectfully submitted,

Ulises R. Pin
