Pro Forma Assignment Notification

Wavecom Solutions Corporation (“Wavecom”) and tw telecom of hawaii l.p. (“tw telecom of hawaii”) jointly own the cable landing license for the Hawaii Island Fiber Network (File No. SCL-MOD-20001025-00036, which amended File No. SCL-LIC-19950627-00024), formerly known as the GST Interisland Cable. The submarine cable, which is operated on a common carrier basis, is now 50 percent owned by Wavecom, a wholly-owned subsidiary of Hawaiian Telcom, Inc. (“HTI”), and 50 percent owned by tw telecom of hawaii, a wholly-owned indirect subsidiary of tw telecom inc.¹ HTI and Hawaiian Telcom Services, Inc. (“HTSC”) are both wholly-owned subsidiaries of Hawaiian Telcom Communications, Inc. (“HTCI”). The Kawaihae and Makaha cable landing stations associated with the Hawaii Island Fiber Network (“HIFN”) are owned and operated by HTSC and are not affected by this notification.

Pursuant to the pro forma notification condition granted in Public Notice, Actions Taken Under the Cable Landing License Act, Report No. SCL-00149, DA No. 14-23 (Int'l. Bur., rel. Jan. 9, 2014), Wavecom hereby notifies the Commission that it transferred its ownership interest in the Hawaii Island Fiber Network, except for the two cable landing stations noted in the preceding paragraph, from Wavecom to HTI on December 1, 2016. Because Wavecom and HTI are direct or indirect wholly-owned subsidiaries of HTCI, this assignment is made pursuant to Section 1.767(g)(7) pro forma notification procedures.

¹ *GST Interisland Order*, 11 FCC Rcd 3024 (Int'l Bur. 1996); *GST Modification Order*, 16 FCC Rcd 869 (Int'l Bur. 2001). The undersea segments of the HIFN system that spur off to the islands of Molokai and Lanai are owned 100% by Wavecom.
