Re: **SUPPLEMENT**
SCL-ASG-20200514-00019; Pro Forma Assignment of two cable landing stations for the Hawaii Island Fiber Network ("HIFN Cable") from Hawaiian Telcom Services Company, Inc. ("HTSC") to Hawaiian Telcom, Inc. ("HTI")

Dear Secretary Dortch:

Pursuant to staff's request, Hawaiian Telcom Services Company, Inc. ("HTSC") submits this supplement in the above-captioned proceeding to clarify information about the *pro forma* assignment of HTSC's authorization for two cable landing stations associated with the Hawaii Island Fiber Network ("HIFN Cable") pursuant to SCL-ASG-20150512-00012.

HTSC confirms the *pro forma* assignment of the Makaha cable landing stations associated with the Hawaii Island Fiber Network ("HIFN Cable") to Hawaiian Telcom, Inc. ("HTI"). As explained in the initial filing, HTI currently owns and operates the building and equipment associated with the Makaha cable landing station. Accordingly, the authorization for the Makaha cable landing station has been assigned to HTI.

HTSC clarifies that it will remain a licensee for the Kawaihae cable landing station as HTSC owns the building where the associated equipment is located. HTI should also be a licensee with respect to the Kawaihae cable landing station as it owns the associated equipment. Accordingly, the authorization for the Kawaihae cable landing station has been assigned to HTI with respect to the equipment owned by HTI and remains with HTSC with respect to HTSC's ownership of the building where the equipment is located.

Please do not hesitate to contact us with any questions concerning this filing.

Respectfully submitted,

/s/

Joshua M. Bobeck
