Re: Asia America Gateway Cable System

Dear Ms Dortch,

TM Tech is in the process of applying for Submarine Cable Landing proforma assignment as per files attached together with this application.

We respectfully request that the Commission grant a waiver of the 30-day notification period for this notification. This is the result of a lack of familiarity with the cable landing license procedure and FCC's website' requirement in attempting to submit this information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hayazi', with a stylized flourish at the end.

Hayazi Othman
Assistant General Manager
