Re: IBFS File No. SCL-LIC-19921015-00007 (formerly SCL-92-003)

Dear Mr. Sullivan,

This letter is submitted on behalf of PTI Pacifica Inc. (“PTI Pacifica”) to update the International Bureau Filing System (“IBFS”) website records for the above-referenced license for the submarine cable linking the islands of Saipan, Tinian and Rota in the Commonwealth of the Northern Mariana Islands to the U.S. Territory of Guam.

Currently the IBFS website’s summary record for SCL-LIC-19921015-00007 indicates the licensee is the Micronesian Telecommunications Corporation (“MTC”), and has out-of-date contact information.<sup>1</sup>

Although MTC was the initial licensee,<sup>2</sup> the FCC granted the *pro forma* assignment of the license from MTC to its wholly-owned subsidiary GTE Pacifica Inc. on December 18, 1997.<sup>3</sup>

After a couple of substantive intervening transfer of control transactions, the name of the submarine cable licensee was changed from GTE Pacifica Inc. to PTI Pacifica in 2006.<sup>4</sup>

MTC is the direct parent of PTI Pacifica, and each now does business under the trade name IT&E. Accordingly, please update the IBFS website licensee information for SCL-LIC-19921015-00007 to:

<sup>4</sup> See attachment. Inexplicably, an IBFS record for the submarine cable license with the correct licensee name, PTI Pacifica Inc., also is found under a separate IBFS file number, SCL-LIC-19921115-00009.
