Re: Correction to AT&T Inc. Cable Landing License Application
File No. SCL-LIC-19921110-00004

Dear Ms. Dortch:

On March 6, 2019, AT&T Inc. submitted an application in connection with a request for the Commission to reauthorize a previously granted cable landing license for the Columbus II cable system. In that application, Appendix D, Tab 2 displays the route of the Taino-Carib cable system on the map for the Magens Bay, Virgin Islands Landing Station. Attached is the correct map for Appendix D, Tab 2, the route of the Columbus II cable system on the map for the Magens Bay, Virgin Islands Landing Station.

Sincerely,

Gabrielle Whitehall
