Subject: Approval of OTDR traces for viNGN Undersea Cables Segments 1,2 and 3.

---

Kevin:

Attached please find the OTDR traces that you had sent to me after completing all splices. I have signed the cover sheet of each report indicating that I, as viNGN's Client Representative, approve all of the OTDR traces attached to these reports.

I enjoyed working with you and your team on this successful deployment project.

Best wishes,
