GU Holdings shall make such process or procedure documents available to DHS upon request.

4.8 Non-retaliation. Within forty-five (45) days of the Effective Date, GU Holdings shall adopt a policy that strictly prohibits GU Holdings from discriminating or taking any adverse action against any officer, director, employee, contractor, or agent because he or she has in good faith initiated or attempted to initiate a notice or report under Sections 4.2, 4.5, 4.6, or 4.9 of this Agreement, or has notified or attempted to notify the Management of GU Holdings to report information that he or she believes in good faith requires Notice under either Sections 4.2, 4.5, 4.6, or 4.9 of this Agreement or under GU Holdings' written notice to employees on the reporting of any such information. Any violation by GU Holdings of any material term of such policy shall constitute a breach of this Agreement. GU Holdings shall make such process or procedure documents available to DHS upon request.

4.9 Reporting of Incidents. GU Holdings shall provide Notice if it learns of any information that reasonably indicates:

- (a) a material breach of this Agreement;
- (b) Access to or disclosure of Domestic Communications, or the conduct of Electronic Surveillance on Domestic Communications Infrastructure, in violation of federal, state, or local law or regulation;
- (c) Access to or disclosure of Network Management Information in violation of federal, state, or local law or regulation; or
- (d) improper Access to or disclosure of Classified or Sensitive Information.

Notice shall be promptly made in writing by an appropriate representative of GU Holdings no later than ten (10) business days after GU Holdings learns of any information that reasonably indicates a matter described in this Section. GU Holdings shall lawfully cooperate in investigating the matters described in this Section. GU Holdings need not give Notice where disclosure of such information would be in violation of an order of a court of competent jurisdiction within the United States.

4.10 Notice of Changes to / Additional Services. GU Holdings shall provide a minimum of thirty (30) days advanced Notice in the event that it, any Affiliate or the Joint Build Parties changes or intends to change the technical or operation plans set forth in the Recitals of this Agreement such that the material representations made therein are no longer fully accurate, true and complete.

4.11 Availability of Information and Facilities. DHS may visit, at any time upon reasonable Notice, any part of the Domestic Communications Infrastructure to conduct on-site reviews concerning the implementation of the terms of this Agreement and may at any time

require copies or review of information concerning technical, physical, management, or other security measures reasonably required by DHS to verify compliance with the terms of this Agreement.

4.12 Personnel Interviews. Upon reasonable Notice, GU Holdings shall make available for interview any and all knowledgeable personnel who are in a position to provide information to verify compliance with the terms of this Agreement.

4.13 Right to Third Party Audits. DHS may require GU Holdings to obtain a third party audit of its compliance with the terms of this Agreement and to provide DHS with the resultant audit report.

(a) If this right to third party audits is availed by DHS, GU Holdings will, within fifteen (15) days of receiving such request, propose the third party auditor, as well as the terms and scope for the audit.

(b) Once GU Holdings has submitted the proposed auditor and the terms and scope of the audit, DHS will have fifteen (15) days to respond to the proposed terms and scope of the audit.

(c) GU Holdings shall reasonably address any concerns raised by DHS and shall commence the audit within ninety (90) days of reaching agreement on the scope and terms of the audit.

(d) The audit required by this Section shall be solely at GU Holdings' expense and DHS shall not be required to make any showing of cause to invoke this right to third party audit. However, if DHS invokes its right to a third party audit, GU Holdings shall not be requested to conduct another third party audit until twelve (12) months has passed from the conclusion of the previous audit.

4.14 Annual Report. On or before each anniversary of the Effective Date, an appropriate representative of GU Holdings shall submit to DHS a report assessing GU Holdings' compliance with the terms of this Agreement for the preceding year. The report shall include:

- (a) an updated list of Principal Equipment, including but not limited to any material changes or upgrades to the system components or applications since the list was most recently provided to the USG Agencies;
- (b) a copy of the then current policies, plans and procedures adopted to comply with this Agreement, including those set forth in Section 2.3 above, and a summary of the changes and reasons therefore;
- (c) a summary of any known acts of noncompliance with the terms of this Agreement, not otherwise reported under Section 4.9, whether inadvertent or intentional, with a discussion of what steps have been or will be taken to prevent such acts from occurring in the future;

- (d) a summary of any other events occurring during the reporting period that, to the knowledge of GU Holdings, will or reasonably could affect the effectiveness of or compliance with this Agreement; and
- (e) a detailed network map reporting any changes to the FASTER Cable System's physical and logical topology during the reporting period, including the addition of new NOCs or cable landing stations.

ARTICLE 5. DISPUTES

5.1 Informal Resolution. The Parties shall use their best reasonable efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. The Parties shall meet by person or by phone within five (5) days of identification of a dispute, or at such other time as they shall mutually agree. Any disagreement that has not been resolved at the staff level within ten (10) days of such meeting may be submitted by any Party to the Assistant Secretary for Policy of DHS and the designated counsel for GU Holdings, unless DHS believes that important national interests can be protected, or GU Holdings believes that paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 5.2. The Parties shall meet by person or by phone within ten (10) days, or at such later date as they may mutually agree, after notification of the dispute and inability to resolve it at the staff level. If, after meeting with higher authorized officials, any of the Parties determines that further negotiation would be fruitless, then that Party may resort to the remedies set forth in Section 5.2. If resolution of a disagreement requires Access to Classified Information, the Parties shall designate a person or persons possessing the appropriate security clearances for

the purposes of resolving that disagreement. A Party resorting to measures set forth in Section 5.2 shall give prior written notice of its intent to do so to each other Party.

5.2 Enforcement of Agreement. Subject to Section 5.1 of this Agreement, if any of the Parties believes that any other Party has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Nothing in this Agreement shall limit or affect the right of a U.S. Government Authority to:

- (a) Request that the Party or Parties believed to have breached, or about to breach, this Agreement cure such breach within thirty (30) days, or whatever shorter time period is appropriate under the circumstances, upon receiving written notice of such breach;
- (b) Request that the FCC modify, condition, revoke, cancel, or render null and void any license, permit, or other authorization granted or given by the FCC, request that the FCC take other action, or request that the FCC impose any other appropriate sanction, including but not limited to a forfeiture or other monetary penalty;
- (c) Seek civil sanctions for any violation by GU Holdings of any U.S. law or regulation or term of this Agreement;
- (d) Pursue criminal sanctions against GU Holdings or any Joint Build Party, or any officer, director, employee, contractor, or agent of GU Holdings, or against any other person or entity, for violations of the criminal laws of the United States; or
- (e) Seek suspension or debarment of GU Holdings or any Joint Build Party from eligibility for contracting with the U.S. Government in accordance with applicable law and regulation.

5.3 Irreparable Injury. GU Holdings agrees that the United States would suffer irreparable injury if for any reason GU Holdings failed to perform any of its obligations under this Agreement, and that monetary relief would not be an adequate remedy. Accordingly, GU Holdings agrees that, in seeking to enforce this Agreement, DHS shall be entitled, in addition to any other remedy available at law or equity, to seek specific performance and injunctive or other equitable relief.

5.4 Waiver. The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

5.5 Waiver of Immunity. GU Holdings agrees that, to the extent that it or any of its property (including FCC licenses and authorizations and intangible property) is or becomes

entitled at any time to any immunity on the ground of sovereignty or otherwise based upon a status as an agency or instrumentality of a "Foreign State" (as defined in 18 U.S.C. § 1603) from any legal action, suit or proceeding or from setoff or counterclaim relating to this Agreement, from the jurisdiction of any competent court or the FCC, from service of process, from attachment prior to judgment, from attachment in aid of execution of a judgment, from execution pursuant to a judgment or arbitral award, or from any other legal process in any jurisdiction, it, for itself and its property expressly, irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity with respect to matters arising with respect to this Agreement or the obligations herein (including any obligation for the payment of money) in any proceeding brought by a federal, state, or local U.S. Government Authority. GU Holdings agrees that the waiver in this provision is irrevocable and is not subject to withdrawal in any jurisdiction or under any statute, including the Foreign Sovereign Immunities Act, 28 U.S.C. § 1602 et seq. The foregoing waiver shall constitute a present waiver of immunity on the ground of sovereignty or otherwise based upon a status as an agency or instrumentality of a Foreign State at any time any action is initiated by a federal, state, or local U.S. Government Authority against GU Holdings with respect to compliance with this Agreement.

5.6 Forum Selection. It is agreed by and between the Parties that a civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

ARTICLE 6. FREEDOM OF INFORMATION ACT

6.1 Protection from Disclosure. DHS shall take all reasonable measures to protect from public disclosure all information submitted by GU Holdings (or other entities in accordance with the terms of this Agreement) to DHS in connection with this Agreement and clearly marked with the legend "Business Confidential; subject to protection under 5 U.S.C. § 552(b); not to be released without notice to the filing party" or similar designation. Such markings shall signify that it is GU Holdings' position that the information so marked constitutes "trade secrets" and/or "commercial or financial information obtained from a person and privileged or confidential," or otherwise warrants protection within the meaning of 5 U.S.C. § 552(b)(4). For the purposes of 5 U.S.C. § 552(b)(4), the Parties agree that information so marked is voluntarily submitted and is exempt from disclosure under the Freedom of Information Act (5 U.S.C. § 552) under Exemption (b)(4). If a request is made under 5 U.S.C. § 552(a)(3) for information so marked, and disclosure of any information (including disclosure in redacted form) is contemplated, DHS, shall notify GU Holdings of the intended disclosure as provided by Executive Order 12600, 52 Fed. Reg. 23781 (June 25, 1987). If GU Holdings objects to the notifying Party with respect to the intended disclosure and GU Holdings' objections are not satisfactorily resolved, DHS shall notify GU Holdings of its intention to release (as provided by Section 5 of E.O. 12600) not later than ten (10) business days prior to disclosure of the challenged information.

6.2 Use of Information for U.S. Government Purposes. Subject to Section 6.1, Nothing in this Agreement shall prevent DHS from lawfully disseminating information as appropriate to seek enforcement of this Agreement, or from lawfully sharing information as appropriate with other federal, state, or local Government Authorities to protect public safety,

law enforcement, or national security interests; provided further that DHS take all reasonable measures to protect from public disclosure the information marked as described in Section 6.1. Further, subject to its obligations under Section 6.1, nothing in this Agreement shall limit the ability of DHS to disclose this Agreement or any information related to this Agreement to enforce or comply with any federal law or regulation.

ARTICLE 7. FCC CONDITION

7.1 FCC Approval. Upon the execution of this Agreement by all the Parties, DHS shall, on its own motion, at an appropriate time or promptly upon the request of GU Holdings, notify the FCC that, provided the FCC adopts a condition substantially the same as set forth in Exhibit A attached hereto (the "Condition to FCC Authorization"), DHS has no objection to the FCC's grant of the pending Application. This Section is effective upon the Effective Date, provided however that in the case of a material modification or withdrawal of the Application after the execution of this Agreement the effectiveness of this Section may be suspended by DHS and any such FCC filing is subject to the right to object reserved in Section 7.2.

7.2 Right to Object to Future FCC Filings. GU Holdings agrees that in any application or petition it makes to the FCC for licensing or other authority filed with or granted by the FCC in connection with the FASTER Cable System after the execution of this Agreement, except with respect to pro forma assignments or pro forma transfers of control, GU Holdings shall request that the FCC condition the grant of such licensing or other authority on compliance with the terms of this Agreement. Notwithstanding Section 8.9, DHS reserves the right to object, formally or informally, to the grant of any other FCC application or petition of GU Holdings or any other Joint Build Party for a license or other authorization under Titles II and III of the Communications Act of 1934, as amended, and to seek additional or different terms that would, consistent with the public interest, address any threat to the ability of the United States to enforce the laws, preserve the national security and protect the public safety raised by the services and transactions underlying any such application or petition.

ARTICLE 8. OTHER

8.1 Right to Make and Perform Agreement. Each Party hereby represents that it has and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of such Party enforceable in accordance with its terms.

8.2 Headings. The Article and Section headings and numbering in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of the terms of this Agreement.

8.3 Other Laws. Nothing in this Agreement is intended to limit or constitute a waiver of: (a) any obligation imposed by any U.S. federal, state, or local laws on any Party; (b) any enforcement authority available under any U.S. or state laws; (c) the sovereign immunity of the United States; or (d) any authority the U.S. Government may possess over the activities or facilities of GU Holdings located within or outside the United States (including authority pursuant to the International Emergency Economic Powers Act). Nothing in this

Agreement is intended to or is to be interpreted to require the Parties to violate any applicable law.

8.4 Statutory References. All references in this Agreement to statutory provisions shall include any future amendments to such statutory provisions.

8.5 Non-Parties. Nothing in this Agreement is intended to confer or does confer any rights or obligations on any person other than the Parties.

8.6 Entire Agreement; Modifications. This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties with respect to the subject matter. This Agreement may only be modified by written agreement signed by all of the Parties. DHS agrees to consider promptly and in good faith possible modifications to this Agreement if GU Holdings believes that the obligations imposed on it under this Agreement are substantially more restrictive than those imposed on other U.S. and foreign licensed service providers in like circumstances in order to protect U.S. national security, law enforcement, and public safety concerns. Any substantial modification to this Agreement shall be reported to the FCC within thirty (30) days after approval in writing by the Parties.

8.7 Severability. The provisions of this Agreement shall be severable and if any provision thereof or the application of such provision under any circumstances is held invalid by a court of competent jurisdiction, it shall not affect any other provision of this Agreement or the application of any provision thereof.

8.8 Changes in Circumstances for GU Holdings. DHS agrees to negotiate in good faith and promptly with respect to any request by GU Holding for relief from application of specific provisions of this Agreement if there is a change in circumstances such that those provisions become unduly burdensome or have a demonstrably adverse effect on GU Holdings' competitive position.

8.9 Changes in Circumstances for DHS. If after the date that all the Parties have executed this Agreement, DHS finds that the terms of this Agreement are inadequate to address national security, law enforcement, or public safety concerns, then GU Holdings shall negotiate in good faith to modify this Agreement with respect to those concerns.

8.10 Counterparts. This Agreement may be executed in one or more counterparts, including by facsimile, each of which shall together constitute one and the same instrument.

8.11 Successors and Assigns. This Agreement shall inure to the benefit of, and shall be binding upon, the Parties, and their respective successors and assigns.

8.12 Effectiveness of Agreement. Except as otherwise specifically provided in the provisions of this Agreement, the obligations imposed and rights conferred by this Agreement shall take effect upon the Effective Date.

This Agreement is executed on behalf of the Parties:
