**SECOND SUPPLEMENT TO APPLICATION
FOR A CABLE LANDING LICENSE
(STREAMLINED PROCESSING REQUESTED)**

GU Holdings Inc. (“GU Holdings”),¹ Edge Cable Holdings USA, LLC (“Edge USA”),² and Pacific Light Data Communication Co. Ltd. (“PLDC”) (collectively, the “Applicants”), submit this second supplement to their application filed on April 21, 2017, pursuant to the Act Relating to the Landing and Operation of Submarine Cables in the United States, 47 U.S.C. §§ 34-39, Executive Order 10530, and Section 1.767 of the Commission’s rules, 47 C.F.R. § 1.767 (“Application”). The Applicants request a license to land and operate a non-common carrier fiber-optic submarine telecommunications cable extending between the United States, Hong Kong, Taiwan, and the Philippines. This submarine cable system is known as the Pacific Light Cable Network (“PLCN”).

¹ GU Holdings is an indirect, wholly-owned subsidiary of Google Inc. (“Google”).

² Edge USA is a wholly-owned subsidiary of Facebook, Inc.

The Applicants intend to contract with Equinix, Inc. (“Equinix”) for specified support services in connection with the operation and management of U.S. facilities³ associated with PLCN, including the landing and terminal equipment associated with the U.S. landing.⁴ Pursuant to 47 C.F.R. § 1.767(a)(7), information regarding the voting and ownership interests in the planned U.S. landing station, Equinix’s LA4 facility in El Segundo, California, is provided at Appendix A.

For the reasons set forth in the Application, as supplemented, the Commission should grant the requested authorizations to land and operate a private, non-common carrier, fiber optic submarine telecommunications cable between the United States, Hong Kong, Taiwan, and the Philippines. The Applicants respectfully request that the Commission grant the Application on a streamlined basis.

Respectfully submitted,

Darah Smith Franklin
Counsel
Stephanie Selmer
Counsel
Google Inc.

Dated: September 12, 2017

Counsel for GU Holdings Inc.

³ The arrangements for the U.S. facilities will include establishing separate cages inside the landing station to enable Applicants’ separate access to their fiber pairs.

⁴ The Applicants will notify the Commission before implementing a contract with any other landing services vendor. As noted in the Applicants’ prior Supplement, all vendor contracts for U.S. landing services will provide for proper control and the authority to direct the vendor in all matters related to PLCN’s U.S. common infrastructure. Supplement to Application, File No. SCL-LIC-20170421-00012, at 2 (August 4, 2017).
