Washington, D.C. 20554

Re: File No. SCL-LIC-20171031-00024

Dear Ms. Dortch:

On behalf of GCI Communication Corp. (“GCICC”), I hereby respond to inquiries made by International Bureau staff by email on May 14, 2019, with respect to the above-referenced cable landing license application for the AU-Aleutian Submarine Cable System (“AU-Aleutian”).

Regarding the nature of the cable landing station facilities listed on page 5 of the August 1, 2018 amendment filing, in addition to the landings at Akutan, Dutch Harbor, and False Pass, the cable landing stations at the following 8 cable landing points (King Cove, Cold Bay, Sand Point, Perryville, Chignik Bay, Chignik Lagoon, Chignik Lake, and Larsen Bay) will be new facilities constructed in connection with AU-Aleutian. The landing at Kodiak will use a previously constructed cable landing station.

Should you require any additional information, please do not hesitate to contact me by telephone at +1 202 730 1337 or by e-mail at kbressie@hwglaw.com.

Yours sincerely,

Kent Bressie

Counsel for GCI Communication Corp.
