Dear Ms. Dortch:

The U.S. Department of Homeland Security, with the concurrence of the U.S. Department of Defense and the U.S. Department of Justice (“collectively, “the Agencies”), requests that the Federal Communications Commission (“Commission”) defer action on the above-referenced proceeding. The Agencies currently are reviewing this matter for any national security, law enforcement, and public safety issues but have not yet completed that effort. We therefore request that the Commission defer action until the Agencies notify the Commission of the completion of their reviews and, based on the results of such reviews, request appropriate action by the Commission.

The Agencies will advise the Commission promptly upon completion of their review.

Thank you for your consideration.

Sincerely,

/S/

Melissa Figueroa
Office of Policy
U.S. Department of Homeland
