*Re: Application for Cable Landing License for the JGA North System, File No.  
SCL-LIC-20181106-00035*

Dear Ms. Dortch:

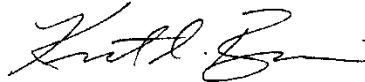

Through their counsel, RTI Solutions, Inc., RTI JGA Pte. Ltd. (“RTI JGA”), and RTI Connectivity Pte. Ltd. (collectively, “Applicants”) supplement the above-referenced application for the JGA North system that will connect Guam and Japan (the “Application”). This supplement updates RTI JGA’s ownership disclosures to reflect that Tan Boon Aun Rudy no longer holds an interest in STC Group Ltd., the parent company of Ocorian Singapore Trust Company Pte. Ltd. (which has updated its name from Singapore Trust Company Pte. Ltd.), Trustee of the RTI JGA Share Trust. Ocorian Limited’s interest has correspondingly increased from 80 percent to 100 percent. This change is illustrated on the enclosed updated Appendix D. The updated Appendix also depicts the trustee role of Ocorian Singapore Trust Company Pte. Ltd.

The above-identified ownership changes do not affect substantively the ownership structure of the Applicants, and accordingly should have no material impact on the Commission’s review of the pending Application.
