Re: Correction to AT&T Inc. Cable Landing License Application
File No. File No. SCL-LIC-19921110-00002

Dear Ms. Dortch:

On March 6, 2019, AT&T Inc. submitted an application in connection with a request for the Commission to reauthorize a previously granted cable landing license for the Americas I cable system. In that application, Appendix E, Tab 2 displays the route of the Taino-Carib cable system on the map for the Magens Bay, Virgin Islands Landing Station. Attached is the correct map for Appendix E, Tab 2, the route of the Americas I cable system on the map for the Magens Bay, Virgin Islands Landing Station.

Sincerely,

Gabrielle Whitehall
