*Re: Application to Modify the Cable Landing License for the SAm-1 System, File No.  
SCL-MOD-20190826-00028*

Dear Ms. Dortch:

Through their counsel, Telxius Cable USA, Inc. (“Telxius USA”), Telxius Cable Puerto Rico, Inc., and Telxius Cable América, S.A. (“Telxius América”) (collectively, “Applicants”) supplement their application to modify the cable landing license for the South America-1 (“SAm-1”) submarine cable system to authorize segments connecting Punta Carnero, Ecuador, and Mancora, Peru.<sup>1</sup>

First, the Applicants note that the statement in the underlying application indicating that Telxius América is not yet a joint licensee for the SAm-1 system is no longer correct.<sup>2</sup> Since the applicants filed that application, the Commission granted a separate modification of the SAm-1 cable landing license by adding a landing in the Dominican Republic and adding Telxius América as a joint licensee.<sup>3</sup>

Second, the Applicants request that the Commission condition the grant of a modified cable landing license upon the Applicants’ compliance with the updated letter of assurances for
