Re: Joint Application for Transfer of Control of Cable Landing Licenses from Columbus Networks, Limited to Cable & Wireless Communications Plc, File Nos. SCL-T/C-20141121-00013 and SCL-T/C-20141121-00014; Applications for Transfer of Control of Section 214 Authorizations from Columbus Networks, Limited to Cable & Wireless Communications Plc, File Nos. ITC-T/C-20141121-00304 and ITC-T/C-20141121-00307

Dear Ms. Dortch:

Pursuant to the request of International Bureau staff during the *ex parte* meeting held on March 26, 2015, Cable & Wireless Communications Plc (“C&W”) and Columbus Networks, USA, Inc. (“CNUSA”) hereby submit the following information to the Commission:

1. Maps depicting each submarine cable network in which C&W, CNUSA and their respective affiliates have an interest; as well as other competing submarine cable networks in the Americas region: See Attachment A.
2. List of all cable landing points and applicable landing party per landing point in all submarine cable systems in which C&W, CNUSA and their respective affiliates have an interest: See Attachment B.
3. Status of regulatory approvals in foreign jurisdictions: When the transaction agreement was signed and announced in November, 2014, the Applicants promptly filed applications and/or notifications, as applicable, in those jurisdictions where they determined there was a regulatory requirement triggered by the transaction. The applicable regulatory requirements have now been satisfied in several jurisdictions (including but not limited to

Jamaica, Barbados, Trinidad & Tobago, British Virgin Islands, Colombia, Curacao and Turks & Caicos), and on March 31, 2015, the Applicants completed (and subsequently notified the FCC of) an initial closing of the transaction in these and other non-U.S. jurisdictions. The Applicants are continuing to work with the applicable regulatory bodies in all jurisdictions where they operate.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Patrick S. Campbell
Counsel to Cable & Wireless Communications Plc
