Re: Petition to Request Withdraw of Application
SCL-T/C-20150203-0005

To Whom It May Concern:

PREPA Networks, LLC hereby, respectfully requests a withdrawal of Application SCL-T/C-20150203-0005, titled Request for Pro Forma Assignment pursuant to 47 CFR §63.24 (hereinafter "Application"). The Application filed has certain items that need to be incorporated to the same, in order for the FCC International Bureau's proper review and determination.

This request is submitted only after, PREPA Networks, LLC has tried to withdraw the application and the IBFS system has declined the petition stating "[T]he *Withdraw* feature is available only for Form 312EZ filings. SCL-T/C-20150203-00005 is not a 312EZ filing.

In light of the above stated, is PREPA Networks, LLC's intention to rectify the errors committed in the application filed, we respectfully request the withdrawal of the Application.

If further information is needed, do not hesitate to contact us at your convenience.

Cordially,

José D. Casillas, Eng.
General Manager

cc. Margarita Medero Rodríguez, Esq.
