Re: *Consolidated Application to Transfer of Control of Cable Landing License Interests for the AEC-1 Submarine Cable System (File Nos. SCL-LIC-20140206-00002 and SCL-MOD-20210105-00001), Havfrue Submarine Cable System (File Nos. SCL-LIC-20180511-00010 and SCL-ASG-20201130-00047), and Amitié Submarine Cable System (File No. SCL-LIC-20200807-00036)—File No. SCL-T/C-20210423-00023—**Supplement***

Dear Ms. Dortch:

Through their counsel, Aqua Comms (Americas) Inc. (“Aqua Comms Americas”) (FRN 0027231851) and America Europe Connect 2 USA Inc. (“AEC2 USA”, together with Aqua Comms Americas, the “Aqua Comms Licensees”) (FRN 0027231851) supplement the April 23, 2021 transfer-of-control application (“Application”) filed with respect to the transfer of control of the Aqua Comms Licensees from Aqua Ventures Limited to Digital 9 Infrastructure PLC. In particular, the Aqua Comms Licensees submit this supplement to confirm the voting and participation interest held by Aqua Comms (Americas) in the Havfrue system, as well as the interests held by the other Havfrue licensees.

As stated in the Application at part I.A(3), Aqua Comms (Americas) currently holds a 12.5-percent voting and participation interest in the U.S. territory portion of the Havfrue system; this interest is lower than the 33.33-percent voting and participation interest originally held by Aqua Comms (Americas). This reduction in interest is due to the sale of a fiber pair from Aqua Comms (Americas) to Edge Cable Holdings USA, LLC (“Edge USA”), also a Havfrue licensee. The fiber pair sale resulted in an adjustment of interests amongst the Havfrue licensees, such that their respective voting and participation interests in the U.S. Territory portion of the Havfrue system are as follows:

Aqua Comms (Americas) Inc.	12.50%
Edge Cable Holdings USA, LLC	43.75%
GU Holdings Inc.	25.00%
Optibulk Havfrue AS	18.75%
Total:	100%
