ET Docket No. 10-142

Dear Ms. Dortch:

On October 6, 2010, L. Barbee Ponder IV (General Counsel and Vice President of Regulatory Affairs) of Globalstar, Inc. (“Globalstar”) met with Paul de Sa of the Office of Strategic Planning and Policy Analysis, and discussed the status of the various proceedings referenced above, including the progress being made with the International Bureau to resolve pending proceedings and Globalstar’s STA requests related to the launch of its second generation constellation. They also discussed Globalstar’s comments filed in the Notice of Proposed Rule Making and Notice of Inquiry in Docket No. 10-142.

On October 7, 2010, L. Barbee Ponder IV, and Elvis Stumbergs and the undersigned of Wilmer Cutler Pickering Hale and Dorr LLP, had a teleconference with Karl Kensinger, Rod Porter, and Cassandra Thomas of the International Bureau. We discussed progress toward finalizing Globalstar’s French authority to operate its second-generation satellite constellation, the status of the STA request filed on July 13, 2007, potential amendments to Globalstar’s December 21, 2009 application for authority for its earth stations to communicate with its second-generation constellation, and the status of the STA requests filed on September 22, 23, and 27, 2010.

Should there be any questions concerning these meetings, please contact the undersigned.

Respectfully submitted,

/s/ Samir Jain

Samir Jain
Counsel to Globalstar, Inc.
