**Re: Application for License Modification of Panasonic Avionics Corporation,
File Nos. SES-MFS-20120913-00818 and SES-AFS-20130220-00189,
Call Sign E100089**

Dear Ms. Dortch:

Panasonic Avionics Corporation (“Panasonic”), pursuant to Section 1.65 of the Commission’s Rules, 47 C.F.R. § 1.65, hereby submits this letter to clarify certain information included in the above-referenced application for license modification (the “Modification Application”).

Certain portions of the Modification Application inadvertently referenced Anik FIR at 107.3° W.L. as a proposed satellite point of communication.¹ However, as indicated in other parts of the Modification Application, as well as in a subsequent application amendment and related application for special temporary authority,² the intended point of communication is the

² Panasonic Avionics Corporation, Amendment to Modification Application, File No. SES-AFS-20130220-00189, Call Sign E100089 (filed Feb. 20, 2013); *see also* Panasonic Avionics Corporation, Application for Special Temporary Authorization, File No. SES-STA-20130220-00190, Call Sign E100089 (filed Feb. 20, 2013).

Anik F1 satellite co-located at 107.3° W.L. and authorized to serve the U.S. market.³ Panasonic hereby confirms that Anik F1 is the proposed satellite point of communication and respectfully requests that references to Anik F1R be disregarded. Because the substantive portions of the application refer uniformly to the Anik F1 satellite, this clarification should have no impact on the processing of Panasonic's pending application.

Please feel free to contact the undersigned with any questions you may regarding this submission.

Respectfully submitted,

Squire Sanders (US) LLP
