

GENERAL COMMUNICATIONS INCORPORATED
EXHIBIT 1

This amendment is being filed to correspond with Reference File No. SES-LIC-20001005-01833, that was filed via IBFS on September 20, 2000. The reason for this amendment is to correct the longitude in Schedule B, Site 1. This information was incorrectly keyed in as 53.5, but should be 53.4. This was overlooked due to an administrative oversight prior to submission.
