Maury,
We are intending to take the amendment off PN tomorrow. If you don't see it, please call me right
away.
Thanks.

     Subject: Status of Swe-Dish application

     Fern:

     I am following up on our meeting from last Thursday regarding the SWE-DISH application
     and in particular to check on the status of the issue of whether the public notice that had
     been issued on April 14 was or was not necessary, and the issuance of a correcting
     public notice tomorrow indicating that the previously public notice has been erroneously
     issued. As we indicated on Thursday, this entire subject is very important to my client
     and I would really hope to be able to advise them of this status of this matter this
     afternoon, consistent with the discussion and commitment made last Thursday. Thank
     you in advance for your assistance and attention.

     Regards,

     Maury Mechanick
