Dear Ms. Bryant,

Please revise the application as follows:

- The response to Question 28 should be changed to "No."
- Attached is the non-routine antenna statement which should be included as an attachment to the application in response to the Waiver question (Question 35).
- As a non-common carrier applicant, AST responded No to the Foreign Government Question (No. 29) and NA to Questions 30- 33, which is consistent with the instructions.

If you need any additional information, please contact either Frank or me.

Thank you,

Denise
