

RESPONSE TO FORM 312 QUESTIONS 24, E43/44, and E52/53

Licensee hereby excludes the 1544-1545 MHz and 1645.5-1646.5 MHz bands from its responses to Questions 24, E43/44 and E52/53, respectively. These bands are reserved for safety and distress communications services that Licensee does not propose to provide with the mobile earth terminal that is the subject of this filing.
