Re: Call Sign E120072  
IBFS File Nos. SES-LIC-2012426-00397 and SES-AMD-20120823-00781

Dear Ms. De La Torre:

Iridium Satellite, LLC (“Iridium”) hereby notifies the Commission that, pursuant to Section 25.258 of the Commission’s rules (47 C.F.R. § 25.258) and in connection with the above-referenced pending earth station applications,<sup>1</sup> Iridium, General Dynamics Satellite Communications Service, LLC (“General Dynamics”), and Inmarsat Hawaii, Inc. together with its affiliates (collectively, “Inmarsat”), have completed coordination for the following earth stations:

General Earth Station Site Information

| FCC licensee     | FCC Call Sign          | Earth station name | Location                          |
|------------------|------------------------|--------------------|-----------------------------------|
| Iridium          | E960131                | Tempe              | Tempe, Maricopa, AZ               |
|                  | E050282                | Fairbanks          | Fairbanks, North Star Borough, AK |
| General Dynamics | E980049 <sup>1,2</sup> | Wahiawa            | Wahiawa, Honolulu, HI             |
| Inmarsat         | E120072                | Lino Lakes         | Lino Lakes, MN                    |

Notes:

- 1) The licensee name of the earth station is General Dynamics-Satellite Communications Service.
- 2) Iridium indicated that General Dynamics-Satellite Communications Service authorized Iridium to coordinate this earth station with Inmarsat.

<sup>1</sup> See FCC Public Notice, *Satellite Communications Services Information, Re: Satellite Radio Applications Accepted for Filing*, Rpt. No. SES-01479 at 1-2 (Aug. 29, 2012, call sign E120072).

Please direct any questions regarding this submission to the undersigned.

Respectfully submitted,

/s/ Donna Bethea Murphy  
Ms. Donna Bethea Murphy  
Vice President, Regulatory
