Re: Notification of Construction and Commencement of Service

Dear Madam Secretary:

On October 22, 2012, the Commission granted the license for Transmit/Receive Earth Station E120118 (the "Station") under File No. SES-LIC-20120626-00619. This letter is to advise the Commission that the Station has been constructed and placed in operation.

Specifically, the Commission is advised as follows:

- **Name of Licensee:**
DRS Technical Services, Inc.
- **File Number:**
SES-LIC-20120626-00619
- **Call Sign and Date of Grant:**
E120118, October 22, 2012
- **Certification:**

DRS Technical Services, Inc. certifies that: (i) construction of the Station's facilities as authorized has been completed; (ii) each antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules; and (iii) the Station is operational, service was commenced on October 26, 2012 and will remain operational during the license period unless the license is submitted for cancellation.
