Re: Correction to EchoStar Broadcasting Corporation Application – SES-AMD-20150114-00009

Dear Ms. Dortch:

EchoStar Broadcasting Corporation (EBC) hereby makes a correction to its application – IBFS File No. SES-AMD-20150114-00009. On page one of Narrative Statement, EBC inadvertently stated that the earth station will transmit in the 17.2-17.8 GHz band. The correct transmit band is 17.3-17.8 GHz.

Please contact the undersigned with any questions.

Sincerely,

/s/ Jesse Jachman
