

Form 312 – Amendment to Modification – E010028  
AMC Networks Broadcasting and Technology LLC  
File Number: SES-MOD-20018517-00825

#### Schedule B – Correction

Please note that the above referenced application contains information on the Form 312 that was entered incorrectly. The IBFS would not allow the information to be deleted after validation was processed.

While question E17 is correctly answered “No”, please disregard the Remote Control Location information inadvertently listed at questions E61 – E64. These sections should be blank as there is no Remote Control Location for this system.
