**Receive-only Earth Station E860538**

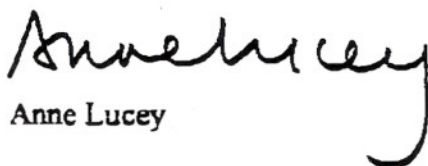

Dear Mr. Caton:

This is to notify the Commission that the assignment of licenses of the above-referenced earth stations, from WTOG-TV, Inc. to Viacom International Inc., was consummated on September 30, 1996. No prior Commission consent is required for assignment of receive-only earth stations.

Accordingly, as of September 30, 1996, Viacom International Inc. is the licensee of the two above-referenced earth stations. Both earth stations are used in connection with the operation of commercial television station WTOG-TV, St. Petersburg, Florida, which is also licensed to Viacom International Inc. as of September 30, 1997, pursuant to Commission consent.

Please call if you have any questions.

Sincerely,

Anne Lucey
