Under authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above. The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith. The actual consummation of voluntary transactions shall be completed within 60 days from the date hereof, and notice in letter form thereof shall promptly be furnished the Commission by the buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).

ADDITIONAL REQUIREMENTS FOR ASSIGNMENTS ONLY:

VARIOUS,

Upon consummation the assignor must deliver the permit/license, including any modifications thereof to the assignee. It is hereby directed that, upon consummation, a copy of this consent be posted with the station authorization(s) as required by the Commission's Rules and Regulations. The assignee is not authorized to construct nor operate said station(s) unless and until notification of consummation in letter form has been forwarded to the Commission.

EXHIBIT G

Public Interest Statement

ETAM International Teleport, Inc., (hereinafter referred to as "Applicant") asks the Commission to approve the pro forma assignment of earth stations E970095 and E960250 from BLR Communications, Inc. to Applicant. This assignment request qualifies as a pro forma application that involves no substantial change in ownership because both companies are owned and operated by one person, Mr. Robert D. Lehson. Mr. Lehson is both the sole shareholder and the President of each of these companies. Assignment of these earth stations to ETAM will allow Mr. Lehson to streamline his business operations.

As no substantial change of control over the licensees will occur by granting Applicant's assignment application, the Commission's expeditious approval of this application will serve the public interest.

DELIVERY VIA COURIER TO MELLON BANK

Ms. Magalie Roman Salas Secretary Federal Communications Commission 1919 M Street, N.W., Room 222 Washington, DC 20554

Re: Pro Forma Assignment of Earth Stations E970095 and E960250 from BLR Communications, Inc. to ETAM International Teleport, Inc. on FCC Form 312, and Attached Schedule A

Dear Ms. Salas:

Enclosed herein is an application on FCC Form 312 from ETAM International Teleport, Inc. ("ETAM") requesting the assignment of the earth stations listed above from BLR Communications, Inc. ("BLR") to ETAM. This assignment request qualifies as a pro forma application that involves no substantial change in ownership, because both ETAM and BLR are owned by Mr. Robert D. Lehson, who is the sole shareholder and President of both corporations. For tax reasons, the applicant is attempting to restructure his businesses before the end of the year; he therefore requests expedited action on this application.

An FCC Form 159 and a \$490.00 check to cover the required filing fees for the two assignments are attached hereto.

If you have any questions, please contact the undersigned.

Very truly yours, Bruce D./Jacobs
