Re: Assignment of License of Earth Station E8184  
File No. SES-ASG-20020319-00356  
Request for Extension of Consummation Period

Dear Ms. Dortch:

On behalf of Jefferson-Pilot Communications/WBTV, Inc., the authorized assignee of earth station E8184, we respectfully request that the period authorized for completion of the closing of the license assignment be extended for an additional 60 days until January 17, 2003. The associated mass media assignment application for WBTV(TV), BALCT-20020318AAQ, was recently granted August 22, 2002 but for various business reasons will not be consummated until after the New Year.

In the event any further information should be needed, please contact the undersigned.

Warm regards,

Elizabeth E. Goldin
