This letter is regarding Satellite Earth Station License KD75.

The FCC granted a Consent of Assignment from Vector Communications Network (Vector) to Megastar, Inc. (Megastar) for KD75 on August 26, 2004, almost one year ago. See File number SES-ASG-20040301-00373.

I recently checked the FCC license database and found that Vector Communications is still shown as the license holder of KD75. Please update your database to indicate Megastar, Inc. is the license holder.

I have attached a copy of the letter Megastar, Inc. sent on September 14, 2004 as requested by the Grant of Assignment. It stated that any and all acts necessary on Megastar's or Vector's part to complete the transfer were completed simultaneously or prior to the grant of the assignment. See file SES-ASG-20040301-00373.

Please update the database.

Sincerely,

Nigel Macrae
President
