Ms. Vaughan,

We have reviewed your assignment application and did not find the public interest statement that is required in Schedule A, page 2, and A 21 of the form. The public notice period is over, and we are ready to grant, but can not until we receive this information. To keep from dismissing this application without prejudice, please send the public interest statement no later than Friday August 27, 2004.

If you should have any questions, please give Jeanette Spriggs a call on (202) 418-0727 or email Jeanette.Spriggs@fcc.gov.

Thank you for your cooperation regarding this matter.

Jeanette Spriggs
