Re: **Notification of Consummation for Involuntary Earth Station
Assignment Application, File No. SES-ASG-20041025-01588**

Dear Ms. Dortch:

We represent USAirways, Inc. Debtor-in-Possession in connection with the above-captioned application for involuntary assignment of its earth station license, call sign E960086. The Commission issued its "Grant of Authority" for the involuntary assignment on October 29, 2004, and put it on public notice on November 3, 2004.

Per my conversation today with Eleanor Lott of the Commission Staff in the International Bureau, we are writing to notify the Commission that the transaction that caused the involuntary Earth Station assignment was consummated on September 12, 2004 (the date that USAirways Inc. filed for bankruptcy).

Please do not hesitate to contact us should you require further action on our part or should you wish to discuss this matter further.

Sincerely,

Michael J. Walsh, Jr.
