Re: FCC File No. SES-ASG-20050406-00397
Application for Assignment of License of Transmit-Receive Earth
Stations, Call Signs KA371, KA372, KA373
From AT&T Corp. to Xaba Ranch, LLC

Dear Ms. Dortch:

Pursuant to an informal request from the FCC staff, we hereby amend the above-referenced application to reflect that, subsequent to the grant of this application to Xaba Ranch, LLC ("Xaba"), AT&T Corp. ("AT&T") intends to assign stations KA371, KA372 and KA373 to Xaba even though they are presently included in the pending transfer of control application of AT&T to SBC Communications Inc. ("SBC"), FCC File No. SES-T/C-20050224-00230. After the grant of this pending application, and the assignment to Xaba, AT&T will amend the SBC transfer of control application to remove these three licenses from that application.
