**Re: Notification of Consummation for Earth Station Assignment  
Application, File No. SES-ASG-INTR2005-02483**

Dear Ms. Dortch:

We represent US Airways, Inc. in connection with the above-captioned application for assignment of its earth station license, call sign E960086. The Commission issued its "Grant of Authority" for the assignment of authorization on November 1, 2005, and put it on public notice on November 2, 2005.

We are writing to notify the Commission that the transaction that caused the Earth Station assignment was consummated on September 27, 2005 (the date that US Airways Inc., Debtor-in-Possession emerged from bankruptcy).

Please do not hesitate to contact us should you require further action on our part or should you wish to discuss this matter further.

Sincerely,

Michael J. Walsh, Jr.
