Re: Broadcast Biscuit, Inc. - - Notification of Closing On Assignment of License
Temporary-Fixed Transmit-Only Satellite Earth Station E950419
FCC File No. SES-ASG-20051212-01728

Dear FCC:

Broadcast Biscuit, Inc. ("BBI"), by its counsel, hereby re-files its notification to the Commission that the assignment of the license for temporary-fixed transmit-only satellite earth station E950419 from BBI to Path 1 Communications, LLC authorized under File No. SES-ASG-20051212-01728 was completed as of January 25, 2006. BBI originally filed this notification on February 3, 2006 and received confirmation of delivery by its overnight courier (copies attached), but since BBI has not received the requested date-stamped copy back from the Commission and the consummation is not reflected in IBFS, BBI is re-filing the notification out of an abundance of caution.

Please date-stamp the enclosed extra "FILE" copy of this notification of closing filing and return it to the undersigned in the enclosed self-addressed stamped envelope. Any questions concerning this filing may be directed to the undersigned.

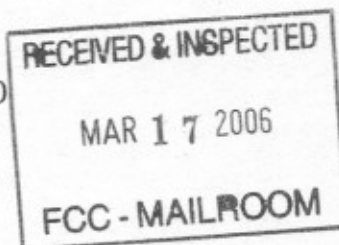

Very truly yours,

A handwritten signature in black ink, appearing to read "Jeffrey L. Timmons".
