Re: Notification of Change of Address
Earth Stations E030098 and E950239

Dear Ms. Lott:

On behalf of KWWL License, LLC this letter is to notify the International Bureau that the main street address listed on earth station authorizations E030098 and E950239 has been changed. The physical location of the earth station facilities did not change, but the entrance to the building with which the earth stations are associated with has changed to the following:

511 East 5th Street
Waterloo, Iowa 50703

If you have any questions concerning these requests, please do not hesitate to contact the undersigned.

Cordially,
