Re: E5061, Domestic Fixed Satellite  
Assignment of License WLVI, Inc. to WHDH-TV  
File No. SES-ASG-INTR2006-02715  
Notice to Extend Consummation Date

Dear Ms. Dortch:

On behalf of WHDH-TV, the assignee of earth station E5061, Boston, Massachusetts, this letter requests an extension of time within which the parties may consummate the assignment of the license of this station from WLVI, Inc. to WHDH-TV, as authorized by the Commission in the above-referenced consent to assignment of license.

The parties currently are in the process of finalizing the arrangements necessary to conclude this transaction but will not be able to do so by the current deadline. Accordingly, WHDH-TV requests an extension of time from December 11, 2006 to January 10, 2007 within which the assignment of this license may be consummated. The grant of this extension of time would support the public interest in efficient use of public and private resources and in the orderly conduct of transactions before the Commission.

In the event that there are questions concerning this matter, please communicate with this office.
