<sup>1</sup> See Public Notice, Report No. SES-00881, File No. SES-ASG-20061027-01904 (rel. Dec. 13, 2006). The application erroneously appeared on Report No. SES-00874, released November 22, 2006 as accepted. The International Bureau staff determined that this application should have been on Report No. SES-00875, released November 22, 2006 as action taken. The staff further determined that, as a result, the effective grant date was November 17, 2006.
