Re: Request to Extend Consummation Deadline
 for Earth Station E870510
 (File No. SES-ASG-INTR2006-03191)

Dear Ms. Dortch:

Piedmont Television of Youngstown License LLC ("Piedmont Youngstown") and NVT Youngstown License, LLC ("NVT Youngstown") (collectively, the "Parties"), pursuant to 47 C.F.R. § 1.46, hereby request an extension of 30 days in which to consummate and notify the Commission of the assignment of the earth station license authorized by the Commission through the grant of the above referenced assignment application.

Earth station E870510 is used in connection with the operation of full-power television station WKBN-TV, Youngstown, Ohio. The assignment of the license for the earth station is a part of a larger transaction involving the assignment of all of Piedmont Youngstown's licenses to NVT Youngstown. The Media Bureau application to assign Piedmont Youngstown's broadcast licenses (File No. BALCT-20061122ADL) was filed contemporaneously with the earth station assignment application that is the subject of this letter. The Media Bureau application was granted on January 8, 2007 and is not final until February 21, 2007.

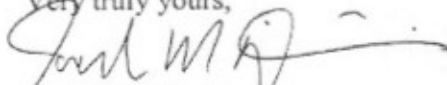

The 60-day period in which to consummate the assignment of license for earth station E870510 from Piedmont Youngstown to NVT Youngstown will expire prior to the parties' ability to finalize the transaction involving the associated broadcast license assignments. Therefore, the parties request an additional 30 days in which to consummate and notify the Commission of the assignment of earth station E870510 from Piedmont Youngstown to NVT Youngstown.
