Re: *Correction to FCC IBFS Database to Reflect Correct Licensee Name*
E6614 - Houston, TX
SES-ASG-20070103-000004

Dear Ms. Dortch:

During a recent review of the IBFS Database, it was determined that the Commission's database does not reflect the name of the current licensee for E6614. On January 9, 2007, the Commission consented to the assignment of the referenced earth station from Texas Cable Partners, L.P. to Comcast of Houston, LLC. The transaction was consummated. Please correct the Commission's records to reflect this change.

Should you have any questions or require additional information, please contact me at (202) 973-4373 .

Sincerely,

Marlene E. Shoemaker
