Re: Earth Station E980245
FCC File No. SES-ASG-20070227-00267
Amendment to Pending Assignment of License Application

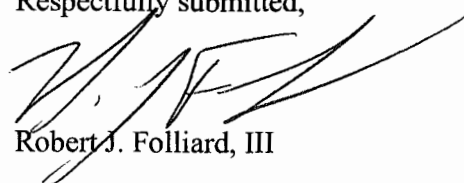

Dear Ms. Dortch:

On behalf of HITV License Subsidiary, Inc. ("HITV"), proposed assignee of the above-referenced earth station, we hereby submit an amendment to the pending assignment of license application (SES-ASG-20070227-00267), which was submitted electronically on February 27, 2007.

Exhibit E provides an updated description of current ownership and parties to the application. HITV does not propose to add any new officers or directors. Instead, HITV only proposes to remove certain individuals who will not be officers of HITV or its parent companies. HITV also proposes to simplify the ownership structure by removing GMC, LLC. HITV also resubmits Exhibit F which provides a description of the current use of the earth station and a statement that grant of the instant application serves the public interest. After reviewing the Commission's IBFS database, HITV discovered that Exhibit F does not appear in IBFS. HITV therefore resubmits this exhibit for the Commission's convenience.

Kindly contact the undersigned if you have any questions about this matter.

Respectfully submitted,

Robert J. Folliard, III

ASSIGNEE EXHIBIT F

FCC Form 312 Schedule A Item A21

This application seeks FCC consent to the assignment of the earth station license identified at Item A8 of FCC Form 312 Schedule A (the "Earth Station"), from Emmis Television License, LLC (the "Assignor") to HITV License Subsidiary, Inc. (the "Assignee"). The Earth Station is used in connection with the broadcast operations of a commercial TV station, licensed to and owned by the Assignor, for news gathering and coverage of events of interest to the local community. The parties to this application are concurrently filing an FCC Form 314 assignment of license application in the Media Bureau's CDBS electronic filing system for consent to assign the license for the commercial TV station associated with the Earth Station. After consummation of the proposed transaction the Assignee will continue to use the Earth Station in the same manner and for the same purposes as before the assignment. Accordingly, grant of this FCC Form 312 would serve the public interest.

¹ The respondent interprets Question 5 as seeking information about any parties, whose interests are otherwise non-attributable, who acquire attributable status as a result of operation of the "equity debt plus" rule (47 C.F.R. § 73.3555, Note 2(j)). There are no such parties in the reporting entity. As a result, Line 5 has been answered "N/A," unless there is a positional interest to report.
