Re: Notification of Consummation of Assignment
FCC File No. SES-ASG-20080103-00006

Dear Ms. Dortch:

DG FastChannel, Inc. ("DG FastChannel") notifies the Commission that the above-referenced assignment of FCC Call Sign E070247 (the "Assignment") was consummated on June 5, 2008. The Commission granted consent for the Assignment on February 26, 2008. On April 24, 2008, the Commission granted the applicants a 60-day extension of time, until June 26, 2008, to consummate the Assignment.¹

If you have any questions, please feel free to contact the undersigned.

Respectfully submitted,

Jeffrey A. Marks

¹ DG FastChannel initially attempted to submit this notice of consummation electronically, but the IBFS interface would not allow such electronic submission. Commission staff indicated that electronic notification of consummation was not available for this application due to the extension of time granted the parties to consummate the transaction. Because IBFS notification is not available in this case, DG FastChannel submits this notification of consummation in letter form.
