NOTICE OF CONSUMMATION

Dear Ms. Spriggs:

On behalf of New England Satellite Systems, Inc., the proposed assignor of earth station E020037, I wish to notify the Commission of the consummation on February 10<sup>th</sup>, 2009 of the above referenced assignment of license on Form 312 granted by the Commission on February 10<sup>th</sup>, 2009. The delay in this consummation was caused by misinformation and inexperience on behalf of New England Satellite Systems, Inc., the assignor, and Gems TV, the assignee. All fees past fees will be satisfied by New England Satellite Systems, with all new fees being the responsibility of the assignee, effective November 26, 2013.

If further information is required, please direct inquiries and correspondence to the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Brian S Nelles". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
