

Assignee Exhibit F

This application seeks FCC consent to the assignment of the earth station license identified at Item A8 of FCC Form 312 Schedule A (the “Earth Station”), from Montana Uplink Corporation (the “Assignor”) to Inter-Mountain Communications (the “Assignee”). The Earth Station is the only earth station facility in the region and provides service to an under-served, rural state.

The Assignee will continue to use the Earth Station in the same manner and for the same purposes as before the assignment. Accordingly, grant of this FCC Form 312 would serve the public interest.
