Public Interest Statement

By this application, ACC Licensee, Inc. (the “Licensee” or “Assignor”), requests the FCC’s consent to the pro forma assignment of the licenses for the earth stations listed in Question A8 of the instant application, which are used with broadcast station WJLA-TV, Washington, DC (the “Station”), to ACC Licensee, LLC (the “Assignee”).

As part of a corporate reorganization, the Licensee proposes to assign WJLA-TV and all associated licenses to ACC Licensee, LLC, a newly-formed limited liability company. The Earth Stations are used in connection with the broadcast operations of WJLA-TV for news gathering and coverage of events of interest to the station’s local community. The parties to this application have filed an FCC Form 316 *pro forma* assignment of license application in the Media Bureau’s CDBS electronic filing system for consent to the assignment of the license of WJLA-TV, the TV station associated with these Earth Stations. After consummation of the proposed transaction the licensee will continue to use the Earth Stations in the same manner and for the same purposes as before the assignment. Accordingly, grant of this FCC Form 312 would serve the public interest.
