

Response to Item 42A  
Use of Non-U.S.-Licensed Satellites  
Earth Stations

Schlumberger Technology Corporation's Earth Station facilities communicate with Amazonas I, which is listed on the Commission's Permitted Space Station List ("Permitted List"). Pursuant to the Disco II First Reconsideration Order, FCC 99-325 (released October 29, 1999), a U.S.-licensed earth station with an ALSAT license is permitted to access any space station on the Permitted List, provided that the space station (i) complies with the Commission's technical requirements and (ii) operates under the conditions on its FCC license and operates under the conditions set forth in the Orders cited at: [www.fcc.gov/ib/srd/se/permitted.html](http://www.fcc.gov/ib/srd/se/permitted.html).
