

**PUBLIC INTEREST STATEMENT**

This application seeks the FCC's consent to assigning the license for a C-band transmit/receive earth station. The earth station is used to support the operations of television broadcast station WTVE (Fac. ID 55305), Reading, PA. Grant of the instant application would permit the new owners of WTVE, following FCC consent to and consummation of the WTVE transaction, to continue to operate the earth station in connection with WTVE, which is in the public interest.
